

Loan Rate & Terms Sheet

As of July 1, 2024

The Foundation's interest rates for the current month are based on the Treasury Constant Maturities indices as published by the Federal Reserve for the 15th day of the previous month. (See <http://www.federalreserve.gov/releases/h15/>). The base rate is determined by adding 4.50% to the applicable index and rounding up to the next 0.10%, with a maximum of 11%. ***IMPORTANT: The actual rate for a loan may be 1% - 2% higher depending on the credit risk rating of the loan.**
